Emergency Medical Services Board

Proposed Regulation Public Notice and Request for Public Input

You are hereby given notice that the Emergency Medical Services Board intends to start the regulation approval process for a regulation concerning application fees remitted to the Board.

The intent of the amendment to this regulation is to allow a one-time transfer of a submitted application fee for usage upon the correct application if the first application was submitted in error.

This regulation is authorized by K.S.A. 65-6110, K.S.A. 65-6111; and K.S.A. 65-6129.

You are invited to submit public comments and input on this proposed rulemaking to joseph.house@ks.gov.
